About Town Center

Town Center, managed as a multi-service center for four town departments as well as several non-profit organizations, is located in an educational complex that includes Bedford High School and Public Library, as well as Town Hall and the Police Station. It is adjacent to the Bedford Community Playground. Constructed in 1891 as a school and closed in 1979, it was reopened in 1985 as a center servicing the community. A major renovation and addition was completed in July of 2005. Town Departments include the Board of Health, Council on Aging/Senior Center, the Recreation Department, and Youth and Family Services. Long-time tenants include the Bedford Chamber of Commerce, Minuteman Senior Services, the Kids' Club (a before-and-after-school childcare program), and a new addition, Iskwelahang Pilipino.

The Bedford Community Table/Pantry serves complimentary meals and groceries to provide food assistance every Thursday evening.
